# Join The Rabbit Welfare Association

**Because Rabbits Deserve Better**

**Over 7,000 rabbit enthusiasts have already joined the Rabbit Welfare Association, the UK's largest and fastest growing rabbit organisation.**

Formed in 1996 and originally known as The British Houserabbit Association, the RWA offers support to all rabbit owners.

Why not join today and enjoy its many benefits.

#### **As a member you will receive:**

- Four issues of *Rabbiting On*, a fabulous full colour journal packed with health and behaviour articles, advice from our experts, competitions and news of all things rabbit. Members are encouraged to send in letters, questions for the experts and photographs of their rabbits for our Paw Prints pages.
- A copy of The RWA Members Handbook, plus a free copy of *Pet Plans Top to Tail*, 24 page 'grown up guide' to rabbit care.
- Access to our directory of rabbit friendly vets, boarding establishments and where to find your nearest rescue shelter.
- Reduced rates at our annual RWA conference, which aims to educate Veterinary Surgeons, Veterinary Nurses, rabbit owners, rescue workers and animal care assistants on rabbit health matters.

#### **Other benefits**

- You may hop along and visit our mail order shop which stocks books, rabbit toys, gifts, cards, calendars, videos, stationery and lots more.
- Join a hopper group or start one yourself. Hopper groups are small bands of members who get together for mutual support and fun days out. It may be a coffee morning, a barbe-cue, a visit to the local rabbit show or a night out at the pub. Many of our groups help at their local rescue shelter and some are involved in the many RWA fund raising events around the country.
- Joining is easy - just complete the form overleaf.
